

ENHANCED FUNDING SERVICES SURVEY RESULTS

January 1 - December 31, 2001

Agency Name and Contact	Funding Source	Proposal Name	Amount Received	Proposed Activities	Suggestions for Successful Proposals
Alameda County Health Care Services Agency Linda Franklin (510) 208-1614	Eden Township	Immunization Grant	\$56,000	Extend immunization interventions to another site.	
	Nutrition Network	Breastfeeding and community education	\$159,000	Enhanced breastfeeding and community education.	
American Red Cross Amy Trendel (619) 583-8573	March of Dimes	Healthy Pregnancy, Healthy Baby Extension	\$3,550	Provide Healthy Pregnancy, Healthy Baby childbirth classes at no cost to WIC participants using childbirth educators.	
Butte County WIC Julie Wetmore (530) 895-6543	California Children & Families Commission	Overweight Prevention and Treatment for Fit Kids	\$40,000	The project includes a family oriented series of sessions designed to help overweight kids. The WIC dietitian also provides counseling to the participants within the setting of the overweight clinic next door to the WIC site.	
Catholic Health Care West Kathleen Alanis (530) 527-8791	California Children & Families Commission	Breastfeeding Education	\$17,427	Breastfeeding education seminars for professionals.	
	California Children & Families Commission	Perinatal and Postpartum Education	\$118,449	Early prenatal classes, child birth classes, infant massage classes, and 6 week postpartum education series.	
City of Berkeley Ellen Sirbu (510) 981-5131	California Wellness Foundation	Family Circle Project for Parenting Education and Support	\$8,500	Parenting workshops and one-time training classes.	

ENHANCED FUNDING SERVICES SURVEY RESULTS
January 1 - December 31, 2001

Agency Name and Contact	Funding Source	Proposal Name	Amount Received	Proposed Activities	Suggestions for Successful Proposals
Clinica Sierra Vista Leah Carter (661) 326-6490	California Children & Families Commission	Peer Breastfeeding Counselor Program	\$159,000	Continue the Breastfeeding Peer Counselor Program.	Make sure your proposal meets the strategic plan and goals of the funding agency. Provide the funding agency with everything they request.
	Kern Family Health Care (local Managed Care Initiative)	PLAY (Promoting Leaner Active Youth)	\$100,000	1) Survey to identify barriers to a healthy lifestyle. 2) Design education program consisting of 8 classes. 3) Conduct 4 sets of classes at 6 sites.	Determine goals of organizations that want to fund your project. Develop relationships with people in these organizations.
Community Bridges Cathy Cavanaugh (831) 722-7121	Has applied for funding – will send which proposals applied for and amounts				
Harbor-UCLA Research and Education Institute Steve Baranov (325) 757-7244	The California Endowment	Health Care Access Project, Phase 2	\$102,000	Improve staff and client education on health care immunization. Provide enhanced referral/enrollment assistance. Track participants for outcome evaluation.	
Humboldt County WIC Jim Sousa (707) 441-2084	California Children & Families Commission	Breastfeeding Training – Peer Lactation Education	\$50,000	Medical office staff, WIC staff and other community agency staff are trained over 1 year to assist breastfeeding women.	

ENHANCED FUNDING SERVICES SURVEY RESULTS
January 1 - December 31, 2001

Agency Name and Contact	Funding Source	Proposal Name	Amount Received	Proposed Activities	Suggestions for Successful Proposals
Humboldt County WIC Continued:	California Wellness Foundation	Dental Health Promotion	\$8,500	Implement an oral health plan to promote positive dental health behavior.	
Mission Hospital's Camino Health Center Robin Bradley (949) 488-7696	Orange County Health Care Agency	Immunization Grant	\$16,300	Assessment and referrals for immunizations.	
Monterey County Joann Godoy (831) 757-1819	DHS Cancer Prevention and Nutrition Section	Power Play!	\$100,000	Use a community-based approach to reach 9-11 year old low-income children and their families with physical activity messages, through schools, community youth organizations, farmers' markets, supermarkets and restaurants.	
	DHS Cancer Prevention and Nutrition Section	Latino 5-A-Day	\$94,500	Promote physical activity messages to low-income Latino adults and their families using mass media and community based strategies (festivals, farmers' markets, flea markets, neighborhood stores and community based organizations).	
	Nutrition Network		\$344,250	Proposed activities: 1) Alisal Community Certified Farmers' Market. 2) Salinas Adult School Family Garden. 3) Salinas Public Library for WIC Families.
